

Indoor RE-Opening Guidance

(This does not pertain to our outdoor programming)

After a very long year, the Golden Connections Community Center has received guidance on reopening the Center in the near future. That being said, reopening at this time will be different than what we are used to. The GCCC has received guidance from both the local and state levels to come up with the plan included in this newsletter.

Once the center reopens, we will reopen in phases. There are currently going to be 3 phases: Level 1, Level 2, Level 3.

Pandemic numbers will determine the duration of each phase....

Through further reading you will find that during Level 1 of the reopening, **the GCCC will ONLY be open Monday's, Tuesday's, and Wednesday's from 9:00 a.m. – 12:00 p.m.**, members will only be permitted to attend the center 1 day a week due to the fact that we are only permitted to have a total of 23 people in our building at a time due to social distancing guidelines, (the same programs will repeat over the course of the three days to ensure everyone has the opportunity to participate in activities they are interested in), you MUST sign up in advance using the GCCC Copilot system from home or by calling the GCCC to secure a seat in any particular activity. You may only attend the center if you are registered for an activity. If you are not registered for an activity you will not be admitted into the building. Unfortunately, there can be no congregating during Level 1 of the reopening. Meals will be available for take-out only.

The Golden Connections Community Center understands that all of this is not ideal and that some may have difficulty understanding some of the reopening processes, please be patient as this is new to all of us, and we are all trying to do our best to navigate through this pandemic. There is a light at the end of the tunnel, and we will continue to be here for all of you once we come out on the other side.

The following is a list of regulations and policies to be enforced during the Level 1 Phase of our reopening process...

LEVEL I: Partial “soft” opening of limited participation, programs, and restrictions

Member entry procedure:

- The GCCC will request that members sign a liability waiver upon re-opening.
- If members are sick, they should STAY HOME!
- The GCCC encourages members who have underlying comorbidities to consult with their healthcare provider before attending the center. These conditions may include but may not be limited to chronic lung disease, asthma, heart conditions, diabetes, immunocompromised, smokers, bone marrow or organ transplantation, HIV or AIDS, or medications causing immune weakening.
- Members must be pre-registered for activities before admittance is granted. Nonregistered participants will not be permitted entry to maintain social distancing guidelines. Pre-registration will be taken by phone or by using the Co-Pilot Community app. Due to social distancing guidelines members may only attend programs 1 day per week. They may continue to receive a congregate meal daily through the drive thru meal program.
- Members will enter and exit through one entrance only for check-in/check-out.
- Members are required to have a temperature screen and answer the COVID-19 Health Screening prior to admittance. Members testing 100 degrees+ or exhibiting any symptom including fever, cough, runny nose, eye irritation, skin rash; will not be permitted to enter the center. If any member exhibits any symptoms after entering the center they will be isolated to a designated “sick” room until they may safely exit the center
- Member’s attendance and activities will be recorded manually by GCCC staff. Members will not be using the Copilot touch screens to document attendance. They will be able to use the Copilot app on their own personal electronic devices to register for programs.
- The GCCC requires that members wear a face mask or shield during all GCCC sponsored activities.
- No congregating in any area will be acceptable in Level 1.
- Members are permitted one small purse-sized bag that must be taken home each day. No items are permitted to be left in the center. Any items left will be disposed of.
- No more than 2 members may be in the restrooms at any time. Members will be asked to clean/disinfect their stall after using the restroom. Cleaning items will be available for them to use in the restroom.
- Members may not donate any food/drink items at this time.
- Donation of supplies should be approved prior to bringing them into center.

Programming:

- Seating is available on a first-come, first-served basis.
- Members will be asked to clean/disinfect their table/chair/area before leaving.
- Congregate meal service will remain as take-out during this phase.
- Programming may be held inside/outside depending on weather conditions.

2021 SENIOR FARMERS MARKET NUTRITION PROGRAM

Due to the ongoing limitations for public gatherings, the 2021 vouchers

WILL BE DISTRIBUTED BY MAIL

\$24 WORTH OF FREE VOUCHERS

Each eligible person is allowed to receive ONE set of vouchers/ checks to purchase PENNSYLVANIA grown fruit and vegetables from participating PA Farmers' Markets.
